WP(C) 3590/2007
BEFORE
HON’BLE JUSTICE RANJAN GOGOI
.
Heard Mr. H. G. Baruah, learned counsel for the petitioners and Mr. A. Bhuyan, learned counsel appearing for the Respondent No.2. Also heard Mr. G. Soren, learned Govt. Advocate, Assam.
Sri S. N. Talukdar, Managing Director, Union Cooperative Bank Limited is personally present pursuant to the earlier order of this Court. He has also been heard.

Two employees of the two different Development Centers of the ASCARD Bank(D/W) in Dibrugarh District have instituted the present proceeding essentially seeking a direction to the police authorities of Dibrugarh district to provide security and protection to the employees of the ASCARD Bank(D/W). According to the petitioners, they and other similarly situated employees entertain a genuine apprehension of physical harm by the depositors/customers of the ASCARD Bank(D/W) for the inability of the Bank to pay such depositors their due money. To enable the Court to understand how such liability has occurred and what arrangement are being made to meet such liabilities the Court had required the personal presence of the Respondent No.2. Sri Talukdar, Respondent No.2, has succinctly explained the matter. However, what has been explained and stated before the Court need not form a part of the order in view of the limited grievance raised in the writ petition and the prayers made therein.
From the facts stated in the writ petition as well as from what has been stated by Sri Talkdar, Managing Director of Union Cooperative Bank Limited, it cannot be said that the apprehensions expressed by the petitioners are unfounded. I, therefore, direct the Superintendent of Police, Dibrugarh to look into the matter and thereafter make necessary arrangements for the security and protection of such employees of the ASCARD Bank(D/W) who may face the prospect of physical harm and injury. The Superintendent of Police, Dibrugarh, will act with utmost expedition in the matter.
Writ petition is closed in terms of the above.
